THE ART HOTEL DENVER COLORADO

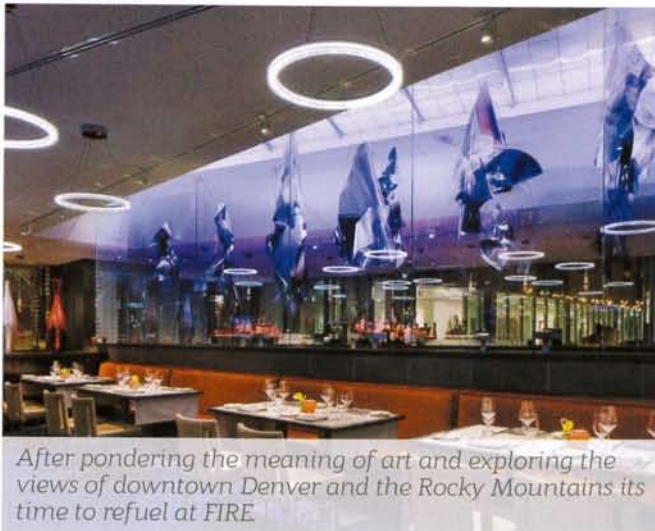

Enjoy additional installations in the concierge lobby.

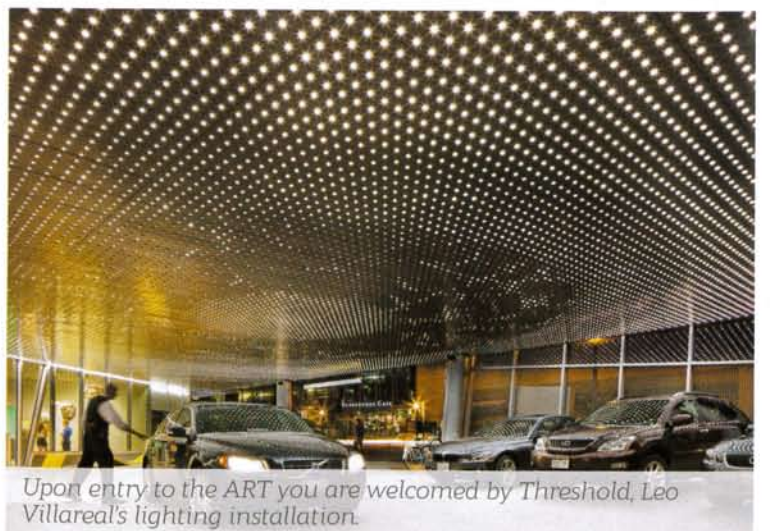

The ART features FIRE, a lounge with a view to reflect and re-energize.

The office façade reflects the vibrancy of Broadway, downtown Denver's historical artery.

After pondering the meaning of art and exploring the views of downtown Denver and the Rocky Mountains its time to refuel at FIRE

Upon entry to the ART you are welcomed by Threshold, Leo Villareal's lighting installation.

Awake or asleep, work or play, the ART caters to your every need.

After pondering the meaning of art and exploring the views of downtown Denver and the Rocky Mountains its time to refuel at FIRE.

Large punched windows capture and frame Denver's skyline and views of the cultural center district.

Soak up city views on the outdoor terrace.

Enjoy additional installations in the concierge lobby.
